To Whom It May Concern:

Leadership Augusta is a community leadership program affiliated with the Augusta Metro Chamber of Commerce. Through a variety of activities Leadership Augusta works to accomplish four major goals.

- 1) To Identify and educate potential, emerging, and existing community leaders.
- 2) To promote networking among the membership.
- 3) To identify community needs and promote and facilitate community projects.
- 4) To provide a resource pool for the benefit of the community.

A key component to the program is the Leadership Augusta Adult Class Program that runs from July through May of each year. A select number of adults from the community are interviewed and invited to join the class. Each year the new Class convenes in June/July and continues to meet one day a month through May. The Adult Class committee plans a challenging program that exposes the class to various issues within the city with a goal to groom the community's next great leaders. The year begins with teambuilding exercises then progresses through ten days devoted to History, Healthcare, Education, Economic Development, Communications, Government, Arts and Culture, Criminal Justice, Human Relations, and Community Service to explain how they relate to the CSRA.

Members and Alumni of Leadership Augusta are the "movers and shakers" of the CSRA. The value to an employer of exposing their employees to this group of leaders is immeasurable. It is said that it isn't who you know but who knows you that is important. Members of the Leadership Augusta class will have community and business leaders get to know them.

The tuition for the Leadership Augusta Adult Class Program is \$950.00, which includes Alumni dues for the next year, and is often paid by the Class member's employer. It is our hope you will support your employee with their participation in the Leadership Augusta program. Please contact our office and let us help you with the necessary arrangements. Leadership Augusta is a significant program for our community and it is a wise investment for your business.
